TERMS OF SALE

PLEASE READ BEFORE BIDDING.

All bids are entered as received and lots distributed to the highest bidder without reserve. When two or more bids are the same, the first received gets the lot. When two or more unlimited bids on a certain lot are received, the first one received gets the lot at an advance of 5% over the highest bid.

When I receive your bids, I consider myself as your agent and buy the lot for you as much under your bids as the next highest bid will permit. I simply execute your bids for you as faithfully as if you had yourself been present at the sale.

I CHARGE NO COMMISSION FOR EXECUTING BIDS.

Lots sold as catalogued. No lot is broken under any circumstances. Bid by number of lot and at SO MUCH PER PIECE. If there are ten pieces in a lot and you want to offer \$1.00 for the lot, make your bid 10c.

I guarantee all coins and notes to be genuine unless otherwise stated in catalogue. This guarantee holds good indefinitely.

TERMS: The terms of auction sales are strictly cash. Parties unknown to me must send a deposit covering at least 25 per cent. of their bids or send satisfactory reference, otherwise they will not be accepted, as I cannot be expected to ship goods to parties whose good standing is not known to me.

Remittance should be made promptly in any way most convenient to yourself.

A neatly printed list of prices of this sale, showing amounts realized for each lot, will be sent for only 50c, **CASH WITH ORDER**. This is surely the cheapest and best method to keep posted on the prevailing prices of coins.

PLEASE SEND IN YOUR BIDS EARLY. All bids must be in on or before Wednesday, May 17, 1916.

If you have any coins that you want to sell either at auction or private sale, write me for terms.

NOTICE TO NEW BIDDERS.

Buying coins at auction sales is not the same as receiving coins on approval. The coins are bought for you on your order and you are of course expected to accept and pay promptly for them. Auction purchases are strictly net cash. Be careful in making your bids. Be sure that you bid for the lot you desire and at so much **PER PIECE**. Read the terms of sale before bidding.

After All, a Great Deal Depends On What "They Say"

"Please accept my thanks for your check in full payment for coins you sold at auction for me.

I am more than pleased with the result of this sale and will certainly not forget you if I should wish to dispose of any more of my collection.

It may seem strange that a man who is 33 miles from New York should go to Texas to do business, but I made no mistake and the whole transaction went through as smoothly as though we were next door to each other."

*F. J. Carpenter,
Chappaqua, N. Y.*

"Permit me to assure you that it is a pleasure to do business with you. I have always found you pains taking and best of all trustworthy, added to this you are enterprising, such qualities make for success."

*Robert L. Moore,
Rochester, N. Y.*

I Respectfully invite your correspondence whenever you "Think Numismatics". Please remember that when writing for terms, etc., there is not the slightest obligation on your part.

I purchase entire collections for immediate cash payment. Also advance liberal amounts of cash on auction consignments.
